Event Spotlight

A Month of Heart, Heritage & Leadership

February at WCA has been a powerful blend of celebration, character-building, and academic focus. From Valentine's Week to Black History studies and talent show rehearsals, our students have continued to grow not only in knowledge, but in confidence and community spirit.

This month reminded us that education extends beyond textbooks, it lives in experiences, leadership opportunities, and shared moments.

A Message from WCA

February has reminded us how powerful it is when children come together through culture, celebration, and shared experiences. Whether through honoring heritage during Black History Week or exchanging kindness during Valentine's celebrations, our students continue to learn that love, respect, and understanding are foundations of true leadership.

When children feel connected to one another, to their history, and to a shared purpose they grow not only in knowledge, but in compassion and confidence.

At WCA, we are intentional about creating an environment where diversity is embraced, character is formed, and every child feels valued.

Experiential Learning

Field Trip to Sea World, Orlando

This month, our students had the opportunity to participate in an enriching educational field trip to SeaWorld Orlando.

During their visit, students explored marine conservation efforts, learned about wildlife rescue and rehabilitation, and experienced a behind-the-scenes look at animal care through the Rescue Center program. They engaged with professionals in the field, asked thoughtful questions, and observed real-world applications of science and environmental stewardship.

The experience brought classroom learning to life, reinforcing lessons in biology, responsibility, and respect for the natural world.

At WCA, we believe that education extends beyond textbooks. Experiences like these cultivate curiosity, deepen understanding, and leave lasting impressions that inspire lifelong learning.

Academics & History: Black History Week

Throughout February, our students participated in Black History Week, where each grade level studied and presented on an influential Black historical figure.

From courage and innovation to leadership and perseverance, students explored the lives and contributions of individuals who have shaped history and impacted the world. Each class shared what they learned, highlighting not only historical achievements but also the values and lessons these figures embodied.

The week concluded with thoughtful presentations that reflected research, confidence, and meaningful engagement.

At WCA, we believe that understanding history deepens character, broadens perspective, and strengthens respect for the diverse voices that have shaped our society.

Student Development: Talent Show Rehearsals

Talent Show rehearsals began February 12th and will continue every Tuesday and Thursday.

Students are preparing to showcase their talents, building stage confidence, public speaking skills, and creative expression all essential components of leadership development.

COMING SOON

UPCOMING EVENTS

- * **Field Day – March (Park on Southern)** *18th February*
Concluding Pie Week with team-building and outdoor activities.
- * **History Fair** *March 26th*
Students will present research projects demonstrating academic depth and presentation skills.
- * **Summer Camp Details**
Stay tuned for program announcements.

Valentine's Day and Happy Heart Grams

All classes participated in Valentine's Day celebrations this year, creating a school-wide atmosphere of warmth and joy.

Our K–2 students enjoyed a special in-house "Party of Hearts," complete with heart-shaped donuts and festive classroom celebrations.

We also introduced Happy Heart Grams, allowing students to purchase small Valentine-themed gifts, write personal notes, and have them delivered to friends on Friday. The initiative encouraged kindness, connection, and thoughtful expression among peers.

At WCA, we believe character is cultivated through small, consistent acts of encouragement and gratitude.

Closing note

At Wellington Collegiate Academy, our focus remains steadfast:

- Academic Excellence
- Character Formation
- Leadership Development

We thank our families for their continued partnership as we guide our students toward growth, responsibility, and purpose.
