

# WELLINGTON Collegiate Academy™

*Empowering Every Student to Succeed*

NEW PROGRAM · WELLINGTON COLLEGIATE ACADEMY  
OPENING AUGUST 2026

## Personalized Academic Curriculum Enrichment

*A structured general education support program designed for students performing one or more grade levels below placement, providing targeted, individualized instruction to close learning gaps and build lasting academic confidence.*

# P

### Personalized Learning Plans

Each student receives an individualized plan with targeted goals in reading, writing, and mathematics tailored to their unique academic profile.

# A

### Accountable Progress Monitoring

Regular assessments and data tracking ensure students are meeting benchmarks and making measurable, documented growth throughout the year.

# C

### Level-based Curriculum & Assessment

Every student begins with a full assessment to establish clear benchmark achievement levels and identify specific academic needs.

# E

### Structured & Small Classes

Students are placed with highly qualified specialists trained in differentiated instruction, ensuring individualized attention and high expectations.

Families receive regular progress updates and are active partners in their child's learning plan, ensuring full transparency every step of the way

*Because your involvement makes all the difference.*
